

How can I help?

† Find out which items you would like to donate.

† Give us a call on the numbers over-leaf & arrange a collection with us.

† Lastly, do not forget to tell your friends

about us! The best way to spread the message is through word of mouth, so let anyone & everyone know where to send their unwanted goods!

“We make a living by what we get

We make a life by what we give”

Winston Churchill

What is the Grow-A-Job Campaign?

72,000 young people aged 18-24 are unemployed in the West Midlands. This equals an unemployment rate of **20 per cent**. The **Grow - A - Job Campaign** aims to change this.

Building on the success of the Future Jobs Fund programme, The Boys' Brigade & Girls'

Association in Birmingham is offering unemployed

young people the chance of real work experience, training and a reference.

In the next year alone, we aim to get another 50

young people into employment.

So how does the Grow - A - Job Campaign work?

The Grow - A - Job Campaign centres around sustainable & fair recycling. **100** black bags of unwanted items is worth **£570**. This is enough money to provide **1 month's employment** for a young person in our new enterprise. More black bags equals better prospects for the young people of our city. It is that simple.

How to get your items to us

Once you have decided which items you would like to donate to our cause, it is really simple. Just contact us on the details below & we will **arrange a collection free of charge** for you. This will be at your convenience, with help for larger items also available.

Phone: **0121-333-5873**

Mobile: **07845 003 656**

E-mail: **ann.reaney@bb-birmingham.org.uk**

What happens then?

Items will then be sorted into groups, with the best quality items available to be purchased from our **Anchors Charity Shop**. For more information on our Anchors Bookshop please visit www.bb-birmingham.org.uk. The rest of the items will be bagged up & sent for recycling.

Do you just accept clothes?

We accept any item, no matter how big or small if we can either sell it in our shop or send it to be recycled. From DVDs & books to organs & potter's wheels have been kindly donated to us before, so if in doubt just give us a quick call & we will help you out.

We collect from at home or work, at school or church, all you need to do is let us know. And by doing so, you can help a young person develop the skills to make it on their own two feet.

By helping us with your donations we can help ourselves develop the opportunities & activities we provide for young people between the ages of 5 & 19 as part of our core work.

No one has ever become poor by **giving**.

Anne Frank
